LÉO CAUET

Engineering Student at ENSEEIHT, Department of Electrical Engineering, Electronics & Automation

Toulouse, France • +33 6 40 33 30 20 • lcauet22@gmail.com • leo.cauet@etu.inp-n7.fr

PROFESSIONAL SUMMARY

First-year engineering student in 3EA, developing a versatile profile combining hardware and software (electronics, automatic control, computer science). Particularly motivated by mechatronics and robotics, I am eager to apply my technical foundations and hands-on mindset to real-world engineering challenges within an innovative team.

TECHNICAL PROJECTS & EXPERIENCE

Robot Designer — **7Robot** *Toulouse, France | 2026 – Present*

- Verified structural integrity and mechanical assemblies for competitive mobile robots.
- Designed a 3D extensible gripper arm using CAD software (SolidWorks, Fusion 360).
- Programmed arm control algorithms and actuator drivers in embedded C.

Engineering Capstone Project (TIPE) — **DC Motor Control via Supercapacitor** *Orsay, France | 2025 – 2026*

- Designed an electronic interface connecting a DC motor, supercapacitor power bank, and main controller board.
- Programmed real-time speed control and power management algorithms in C++ on a Teensy 4.0 microcontroller.

EDUCATION

M.Sc. in Engineering (5-Year Degree) — **ENSEEIHT** *Toulouse, France | 2026 – Present*

- Specialization in Electronics, Electrical Energy & Automation (3EA).

Intensive Two-Year STEM Program (CPGE) — **Lycée Blaise Pascal** *Orsay, France | 2024 – 2026*

- Advanced curriculum in Mathematics, Physics, and Engineering Sciences (MPSI / PSI).

French High School Diploma (Baccalauréat) — **Lycée Auguste Pavie** *Guingamp, France | 2021 – 2024*

- Graduated with Highest Honors (Mention Très Bien avec Félicitations du Jury). Specialized in Mathematics and Physics-Chemistry.

SKILLS & LANGUAGES

Programming:	Python, C, C++
Hardware & Tools:	Electronics Design, CAD (SolidWorks, Fusion 360), 3D Printing (Bambu Lab)
Soft Skills:	Project Management, Leadership, Adaptability
Languages:	French (Native), English (Upper-Intermediate - B1/B2), Italian (Elementary - A2)
